Press release - December 10, 2024

26TH PARIS INTERNATIONAL DIVE SHOW

GET YOUR MASKS READY, COME ON!

With just one month to go before the launch of the 26^{ème} International Scuba Diving Show, to be held from **January 9 to 12, 2025** at Paris Porte de Versailles, Hall 4 is fully booked and ready for 4 frantic days of aquatic action.

This year's theme is oceans, seas and their protection. This theme inaugurates **the Year of the Oceans** decreed by President Emmanuel Macron, and ties in with **the 3^{ème} United Nations Ocean Conference** to be held in Nice in June 2025.

A rich program of events and conferences.

On the exhibitor side, innovation, diversity and quality are the order of the day, with a wide selection of equipment manufacturers, destinations, diving clubs, associations, athletes, artists, scientists and other enthusiasts...

ALONG THE SHOW ROWS

Tech and innovation

AQUALUNG: New Helix compact pro regulator - Stand C20 - D21

You don't have to be big to make an impact. That's the thinking behind the Helix Compact Pro, Aqualung's smallest and most compact regulator ever. This amazing technology is designed for both hot and cold water, making it perfect for jetsetters on the move, minimalists and even local divers who simply want unrivalled performance.

AQUALUNG: New Gilet Pro HD Compact - Stand C20 - D21

Tired of paying excess baggage fees? This ultra-lightweight vest with integrated ballast and back buoyancy has everything you need without extra weight or bulk. Lift it up and feel for yourself: in size ML/LG it weighs less than 2.2 kg with its inflator and ballast pockets! Can be carried flat or rolled up, the perfect vest for travel.

DE ZEEMAN PRO - Stand G26

De Zeeman Pro is divers' partner for the purchase, maintenance and repair of professional diving equipment. The brand specializes in equipment for commercial diving, military diving, survival equipment and sport diving for companies, public authorities and consumers worldwide.

Eco-responsibility

CAPTAIN'NEO :- Stand F 02

Captain'néo recovers used neoprene wetsuits from all nautical circles through its own recycling channel: the Neopotes community, to handcraft them into practical, unique objects with unrivalled style. Since 2017, more than 22 tons of neoprene have been recovered and more than 11,000 unique pieces have been created (bags, saddlebags, covers, accessories...). At the show, visitors can drop off their old wetsuits and benefit from a 10% discount on the purchase of one of the creations on display. They can also order a made-to-measure creation in their own suit.

Destinations and dive centers

CLUB MED - Stand F03 bis

New

From the Caribbean to Indonesia, via the Mediterranean, soak your flippers in the most beautiful spots on the planet!

<https://www.salon-de-la-plongee.com/fr/le-salon/fiche-exposant/5126.html>

AGUSTA ECO RESORT RAJA AMPAT - Stand G15

New

Agusta Eco Resort nestles on the private island of Agusta, in the Raja Ampat Marine Park in West Papua, Indonesia. It enjoys a privileged location, within easy reach of the most important diving and snorkeling sites. Raja Ampat is one of the world's most beautiful marine parks for diving and snorkeling. Sharks, manta rays, pygmy seahorses and huge schools of fish find refuge among an infinite number of species of perfectly intact coral. Waterfalls, lagoons and Papuan villages satisfy the wanderlust of even the most experienced tourist.

Highlights of Greg Lecoeur, Show sponsor

PHOTO EXHIBITION "L'OCÉAN NOUS REGARDE" - Stand A02 - B03

To mark the Year of the Oceans and in anticipation of the next United Nations Conference, to be held in Nice in June 2025, naturalist photographer Greg Lecoeur presents a photographic exhibition combining two worlds: a retrospective of 15 years of marine explorations around the world and his latest Mediterranean project with the *We Are Méditerranée* association.

<https://www.salon-de-la-plongee.com/fr/animations/fiche-animations/2044/3702.html>

DÉDICADES - Stand A02 - B03

Mediterranean: Pelagos Sanctuary" book

With the association We are Méditerranée, photographer Greg Lecoeur criss-crossed the Pelagos sanctuary, dedicated to the preservation of marine mammals, to document its wealth. In addition to the cetaceans, he also put his eye, as a photographer in love with the Mediterranean, on all the biodiversity of a very much alive sea, and shared his adventure with several research teams. <https://www.salon-de-la-plongee.com/fr/animations/fiche-animations/2048/3706.html>

"The ocean is watching - the book

L'Océan Nous Regarde is an immersive journey into the mysterious and captivating depths of the oceans, captured by underwater photographer Greg Lecoeur. The images

These striking images, the fruit of 15 years of exploration in every corner of the globe, reveal a marine world of fragile yet fascinating beauty. Each photograph invites us to change our gaze, to marvel in order to better understand.

CONFERENCES

WE ARE MEDITERRANEE: PRESENTATION OF THE EXPEDITION PELAGOS PROJECT

Saturday, January 11, 2025, from 4:00 p.m. to 5:00 p.m. - Salles Europe

Combining exploration, art, science and education, Expedition Pelagos is an ambitious project dedicated to the study and preservation of marine biodiversity in the heart of the Pelagos sanctuary, a unique conservation area in the Mediterranean, stretching over 87,500 km² between France, Monaco and Italy. This sanctuary, specially designed to protect marine mammals, is home to an exceptional fauna within varied but threatened ecosystems.
