

Highlights & events

- **New narrative visuals** to stir emotions and inspire escape.
- **Inspiring personalities** to speak for the underwater world and its protection.
- **Unique exhibitions**, meetings with experts, destination representatives, scientists, and marine biologists.
- **Films, documentaries, and conferences** with even more commitment and topics related to the silent world and its challenges.
- Fun **workshops and introductory diving sessions** open to all.
- An area dedicated to **innovation**: responsible equipment, new techniques, and new solutions for diving centers.
- **Photo and film competitions**: **macro photography from all angles** will be the theme for 2026 for amateurs and professionals alike.
- **Youth**: educational workshops to raise environmental awareness among young people.

And the **2026 Show** will also see **celebrations by major players in the sector**, who will take advantage of the event to mark **their anniversary year** with a symbolic gesture.

Exhibitors & visitors

- Over **400 exhibitors** (manufacturers, dive centers, destinations, clubs, associations, federations, etc.) across 13,000 m2.
- **+7% new exhibitors**.
- A **200-square-meter swimming pool, 1.2 meters deep**, for introductory sessions and demonstrations of new equipment and techniques.
- **Four days of sharing and networking**, bringing together professionals and the general public.

Ticket sales to open in early October 2025.
