Marine Transportation, Yachting & Water Sports

General Introduction

Sindbad Marine Transportation, Yachting & Water Sports celebrates over 15 years of service in the Gulf of Aqaba, providing all the water sports and yachting activities. primly Located around Aqaba and offering the most comprehensive services for marine activities in Jordan. The company continues to grow and improve with a fleet of yachts, diving, ski and parasailing boats to further facilitate water sports activities at the Red Sea. Sindbad introduced a charter transfer service for tourists between Jordan and Egypt in the year 2005. Since then Sindbad

upgraded the charter operation by introducing a fleet of the latest design of High Speed Catamarans; Xpress 114 passengers, Petra Wonder 149 passengers and Taba 126 passengers. We offer international reservations for the High Speed Crafts for tourist charters, with several packages through Jordanian and Egyptian Travel Agents and Tour Operators. Our team makes sure and follows up that every aspect of a guest's journey is managed with the utmost efficiency. Our Dive Center operates autonomously, integrating with the yachts and boats whenever they have guests.

The standards are the highest available in the diving world, a 5Star PADI diving center, partnered with National Geographic. All services are operated with the highest safety standards, crews are trained and registration of international standards is continuously being obtained. The equipment is fully insured and continuously updated with the latest models. As well as being maintained by a team of engineers & technicians, each qualified in different aspects of our requirements.

**High Speed Catamarans:
Express, Petra Wonder
& Taba in Aqaba**

Pharaoh's Island Cruise

Visit 2 countries while seeing 4, the best views are enjoyed while cruising to Pharaoh's Island in Egypt. Live history at the well maintained Salah el Din Castle, snorkel the bountiful, crystal clear waters, swim or relax on board while lunch is prepared freshly. Booking and passports are required 24 hours in advance (working days).

Water Sports Activities

Coral Viewing

Don't want to get wet; the whole family can still enjoy viewing the corals through the glass bottom yacht. Everyone gets a clear view and plenty of time for relaxing or snorkeling

Parasailing

Soar above the sea, attached by a safety line, with a partner or alone, in the silence of the skies. Enjoy the best views of 4 countries

Diving*

The Red Sea is one of the best diving sites in the world; the charm of the northern end of the Gulf of Aqaba is its relaxed diving, with sightings of many unusual fish. Our new dive center can take you from a complete novice to a professional diver, and check out the specialties available

Snorkeling Cruises*

See the best of the Red Sea with the simplest of equipment, in a safe and enjoyable way, enter Jordan's Marine Park to see some of the most colorful fish and corals, go for a few hours or for the whole day and enjoy lunch on board

Windsurfing*

Catch the breeze and surf away, every level of windsurfer is catered for with a variety of boards and sails along with instruction

Catamaran Sailing*

For the adrenalin pumping thrill of speed on the waves, nothing more stable and thrilling than a fast sail boat, we can instruct you to sail yourself. Minimum 2 people

Speed Boats*

Bring the family along for a speedy ride along Aqaba's coastline with a professional driver

Jet Ski

Fast action with the latest models of Yamaha 4 stroke Jet Skies, create your own wake! 'Safety first' is our motto so life jackets are a must and we will be close by to assist

Water Ski*

Catering to all levels of water skier, a variety of skis and instruction from beginner to pro, we guarantee you will succeed with us

Banana Boats & Rings

Fun and excitement for all, a thrilling ride holding on while being pulled through the water. Expect to get wet, but with your life jacket on and a qualified skipper, you will definitely be safe

Canoes

The silence on the seas and freedom to ride along the coast at your own speed

* Instructor available upon request
