Solitude LIVEBOARDS

SOLITUDE ADVENTURER

Explore the Oceans of Indonesia

Solitude Adventurer, the second liveaboard vessel operated by Solitude Liveaboards and Resorts, invites you on an extraordinary diving adventure through the captivating region of Indonesia. This meticulously crafted 36m (118ft) aluminium catamaran is designed to provide divers with an unforgettable holiday experience, combining relaxed luxury and comfort.

Embarking on a diving expedition with Solitude Adventurer takes you to some of Indonesia's most coveted destinations. Explore the majestic Banda Sea, Ambon, Alor, Maumere, Komodo National Park and Raja Ampat, where the azure Indonesian waters teem with mesmerising marine life and vibrant coral formations. These remote and pristine dive sites offer an immersive underwater adventure, filled with encounters with manta rays, tropical fish schools, Mola Mola, Hammerheads, whale sharks, and more.

For avid dive enthusiasts, Solitude Adventurer presents the opportunity to discover the wonders of muck diving, unveiling elusive creatures such as

pygmy seahorses and octopuses. Dive into vibrant coral reefs brimming with marine biodiversity, capturing the essence of the ocean's vast wonders.

Explore Komodo, a UNESCO World Heritage Site, where the depths of the marine wonderland await. Encounter majestic manta rays, playful dolphins, and a diverse array of marine species. The presence of legendary Komodo dragons on the islands adds an extra element of excitement and adventure.

In Raja Ampat, hailed as the "epicentre of marine biodiversity," immerse yourself in vibrant coral gardens and swim alongside schools of fish. Witness the elusive creatures that call Raja Ampat home, offering an unparalleled opportunity to witness nature's creations in all their splendour. Venture to the Forgotten Islands, a diving paradise off the beaten path. Discover hidden gems adorned with magnificent coral formations and breathtaking walls. Encounter pelagic species such as hammerhead sharks,

as you explore these lesser-known dive sites in unspoiled waters.

Solitude Adventurer ensures a memorable liveaboard diving adventure holiday, providing luxurious amenities, an attentive crew, and world-class dive facilities. Immerse yourself in the beauty of Indonesia's diving destinations, where every dive promises new discoveries and awe-inspiring moments. Experience the wonders of the Banda Sea, Komodo, Raja Ampat, and the Forgotten Islands in unparalleled style and comfort, accompanied by the renowned Solitude Service.

SOLITUDE ONE

Transformed from a Japanese merchant vessel to redefine quality...

Solitude One, originally a Japanese merchant vessel, has undergone a transformation to redefine the standards of quality service and professionalism in the diving hospitality industry. The primary focus of Solitude One is the safety and comfort of its clients, and it has been meticulously constructed with intelligent designs, functional features, and a cosy ambience reminiscent of home, all while infusing a delicate sense of thoughtfulness. The well-trained crew onboard cater to every guest, addressing them by name, anticipating their individual needs, and appearing only when necessary, thereby ensuring the privacy and familiarity of a 'home away from home' experience.

Despite its rugged and sturdy exterior, Solitude One is far from ordinary. This floating sanctuary stretches over 52 meters and encompasses four decks, providing a remarkable experience. With a total of 11 ensuite cabins, Solitude One can comfortably

accommodate up to 24 guests. The cabins are spread across two floors and include four state rooms, six deluxe cabins, and one quad share cabin.

Solitude One boasts one of the most spacious dive decks, complete with rinse tanks for diving equipment and cameras, hot and cold showers, and ample racks for all diving paraphernalia. Additionally, the vessel provides Enriched Air Nitrox and equipment rental services. For added convenience, complimentary items such as the Nautilus lifeline (GPS), SMBs, and Reef Hooks are available if needed.

When not engaged in diving activities, guests have the opportunity to relax in the lounge while watching movies, playing video games, or tinkering with their cameras and images in the dedicated camera room. The vessel also offers a spacious weather deck for

sunbathing and a jacuzzi for a refreshing dip. Furthermore, even after enjoying the five meals provided each day in the form of buffets, guests can indulge in cup noodles, cookies, cakes, candy, and an abundance of tea, coffee, and soda.

Safety is of paramount importance on Solitude One, as the vessel is equipped with state-of-the-art communication, navigation, and safety technology. The crew is well-trained and prepared to execute all emergency and non-emergency procedures, while each skiff is equipped with first aid kits and medical oxygen.

SAFE DIVING

We understand that your time and investment in a holiday are valuable, and we aim to provide you with as many dives as possible while ensuring your safety.

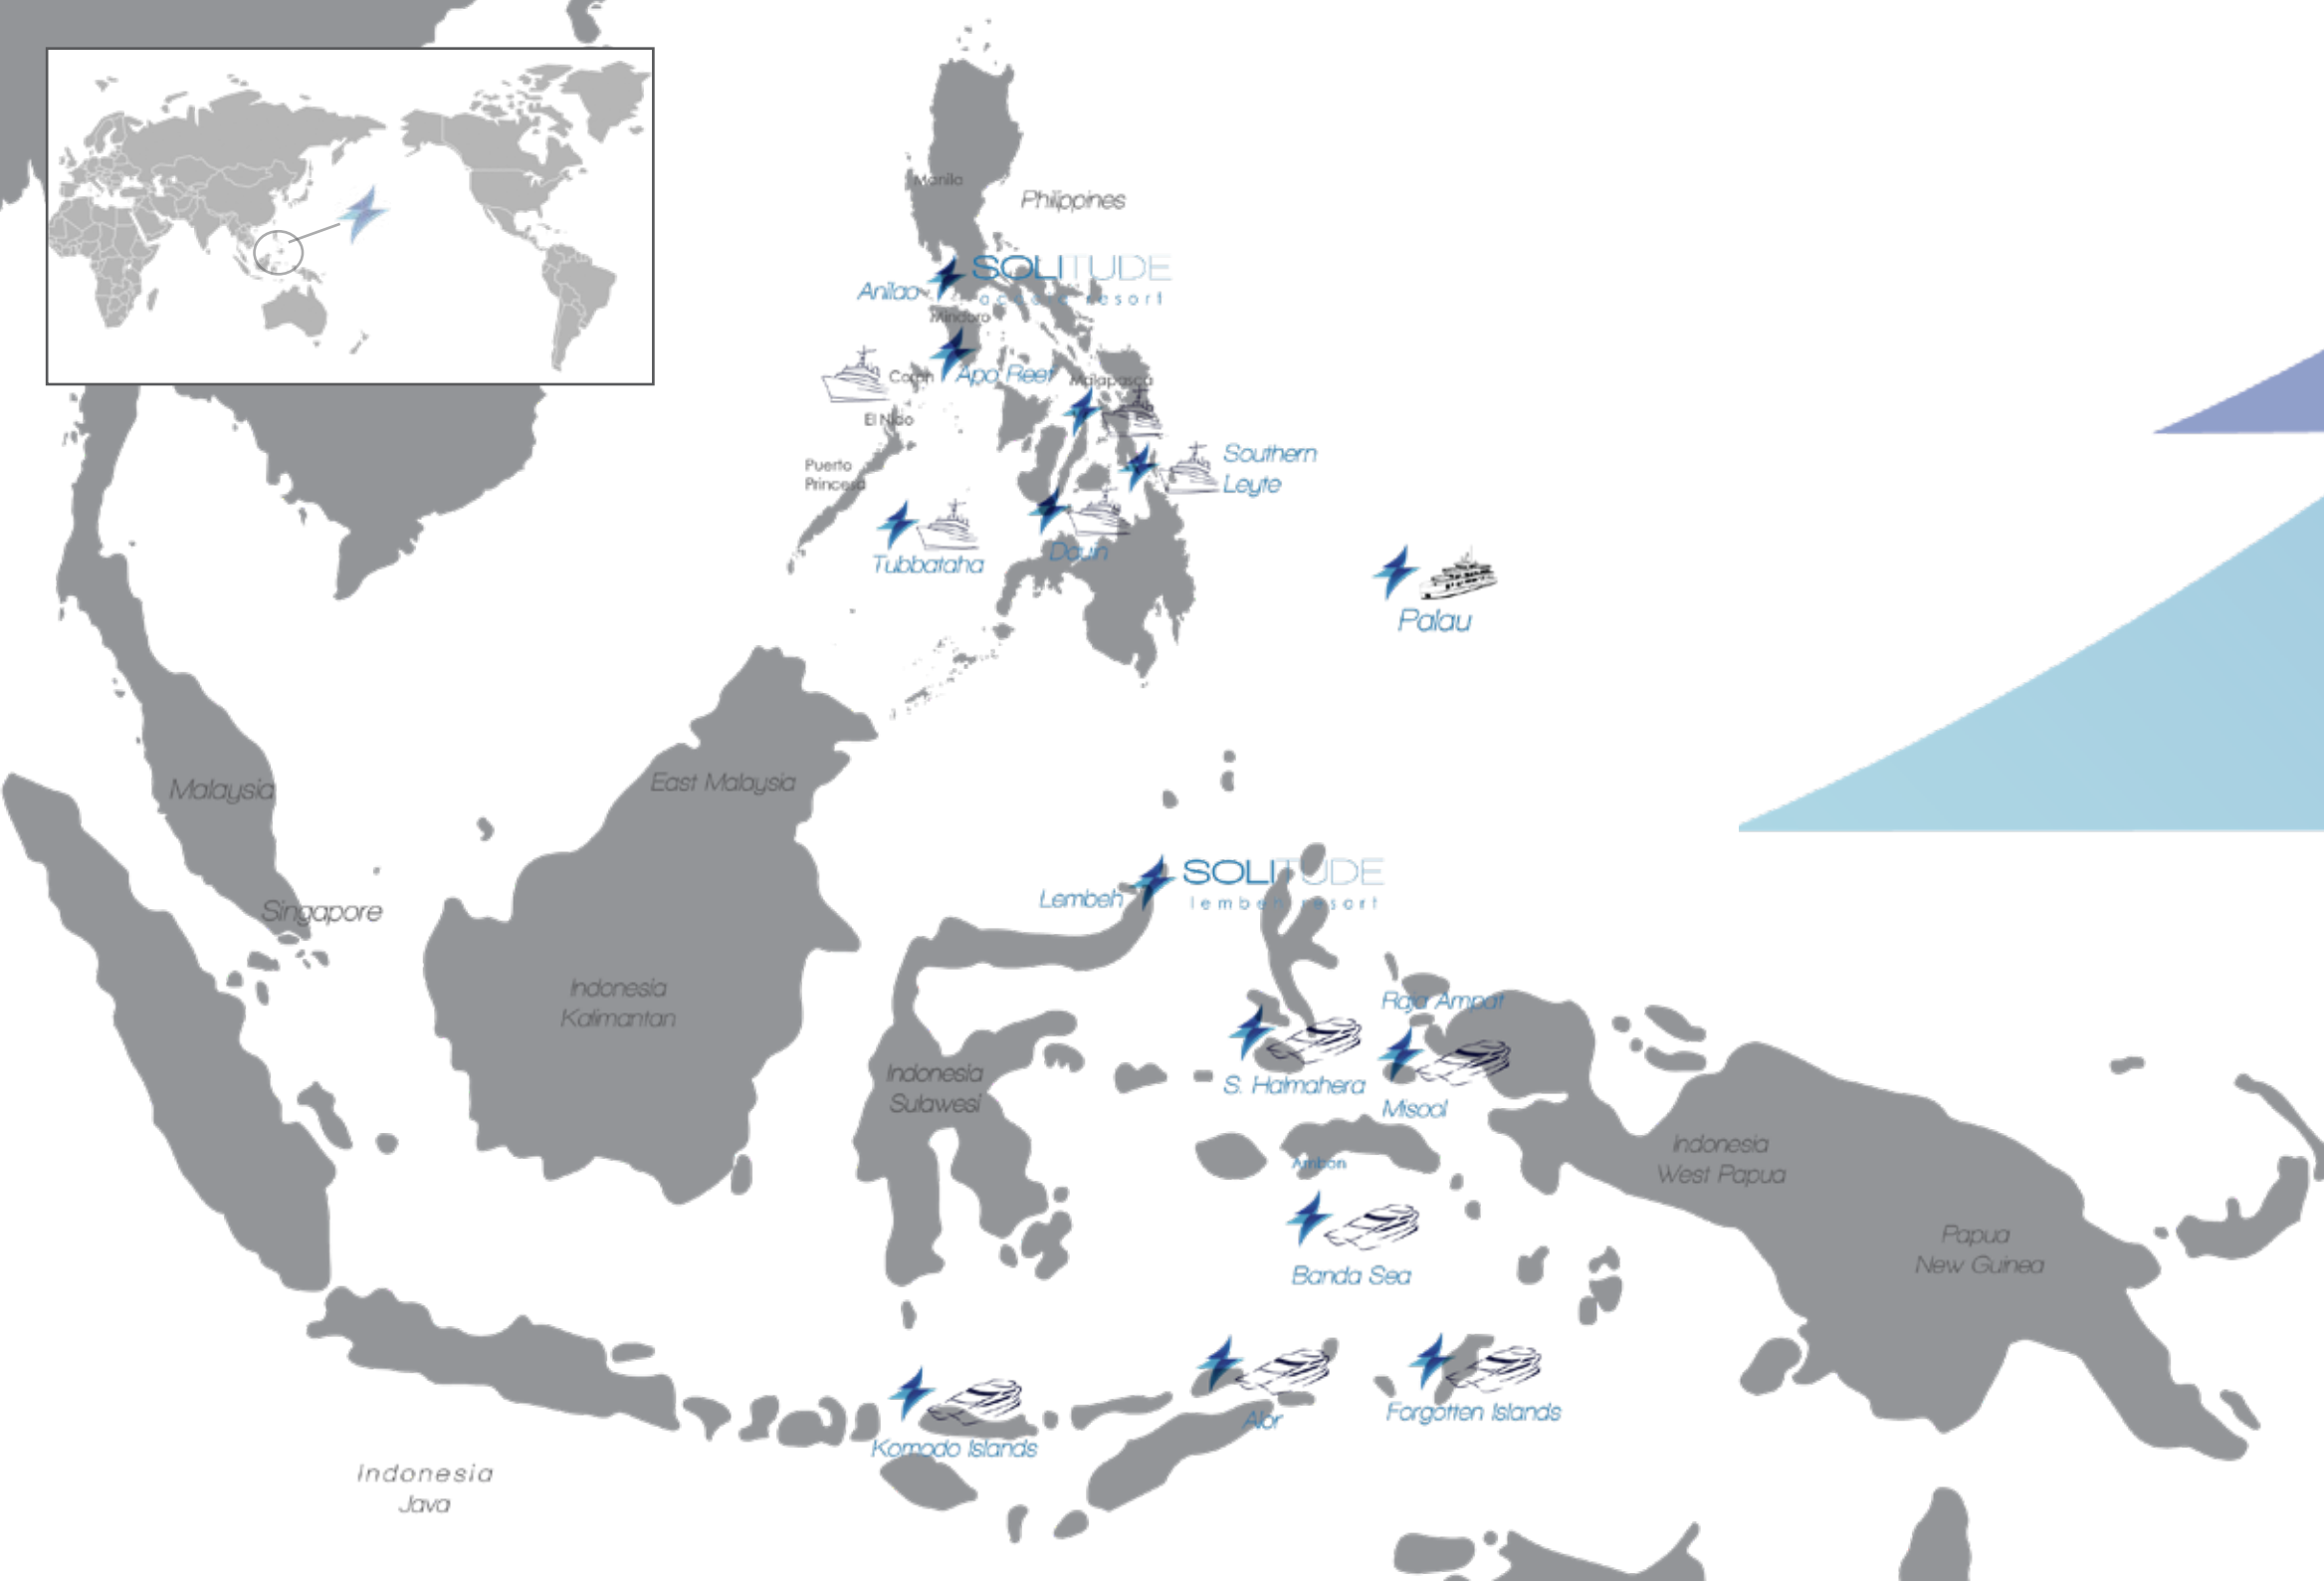

In order to prioritise safety, make sure you are adequately rested and hydrated prior to your initial dive as well as for subsequent dives.

We recognise that although you have learned about safety during your scuba course/s, the excitement and anticipation of a diving holiday can sometimes cause us to neglect our own readiness for a dive.

Our crew's safety is also important, so we limit the number of dives to four per day, including a night dive, to minimise fatigue and reduce the risk of accidents.

Itineraries are subject to change due to weather and logistics, but our cruise directors will keep you informed.

Solitude RESORTS

SOLITUDE ACACIA RESORT

Located in the most diverse nudibranch paradise of the globe is a region that offers an incredible variety of nudibranch species.

Welcome to Solitude Acacia Resort, nestled in the breathtaking beauty of Anilao, Philippines, a true haven for divers and snorkelers of all interests. Located in one of the most diverse marine ecosystems on the planet, Anilao offers a spectacular array of underwater experiences, from vibrant coral reefs and large schools of fish to the intricate world of macro and blackwater diving.

Known globally for its rich diversity of marine life, Anilao is a destination where divers can explore stunning coral gardens teeming with life, while those with a keen eye for detail can seek out the fascinating world of nudibranchs and critters. These captivating marine creatures belong to the phylum Mollusca and the class Gastropoda, and are celebrated for their vibrant colours and intricate patterns. But Anilao's allure goes beyond the small – it offers something for every diver, from those who love wide-angle scenes of big schools and pelagics, to those intrigued by the delicate beauty of its macro treasures.

With ocean temperatures ranging from 26°C to 29°C (81°F - 84°F), Solitude Acacia Resort invites you to indulge in an exceptional diving experience. Whether you're a seasoned diver, a beginner, or even an enthusiastic snorkeller, Anilao has something extraordinary to offer. From the awe-inspiring spectacle of large schools of fish, majestic whale sharks, and the occasional mola mola, to the kaleidoscope of colours and life on the coral reefs, every dive reveals a new world to discover.

At Solitude Acacia Resort, we take pride in our fusion cuisine that will tantalise your taste buds after a day of exploration. Our team of talented chefs combines local flavours with international influences to create a culinary experience that reflects the richness of the surrounding region. The waters surrounding Solitude Acacia Resort offer a wide range of dive experiences, including blackwater diving, coral reefs, muck diving, and even snorkelling for those who prefer to stay closer to the surface. Anilao's dive sites are diverse, catering to every level of interest, whether you're

drawn to the grandeur of large schools of tuna or fascinated by the intricacies of the underwater macro world.

Anilao's gentle currents and varied dive sites make it an ideal destination for divers of all skill levels. While visibility can vary, it's the richness of marine life that takes centre stage, ensuring each dive is filled with unique encounters. At Solitude Acacia Resort, we prioritise your experience and immersion in the marine world over perfect visibility, allowing you to truly connect with the wonders beneath the surface.

Prepare to be captivated by the diversity and beauty of Anilao, where each dive offers a blend of vibrant coral reefs, bustling schools of fish, and the hidden wonders of the macro world. Solitude Acacia Resort offers the perfect gateway for all underwater adventurers, ensuring comfort and unmatched hospitality throughout your stay.

THE DIVING

Water Temperature

Experience the pleasant ocean temperatures in the Philippines, ranging from 26°C to 29°C (81°F - 84°F). Immerse yourself in the inviting waters and revel in the comfort they provide during your underwater adventures.

Rental Equipment

For your convenience, we offer rental equipment. Please feel free to contact us for further details, ensuring that you have everything you need for a remarkable diving experience.

Our Diving Schedule

Our dive duration is set at 60 minutes, allowing you ample time to explore the underwater wonders. Between dives, we conduct surface intervals in the idyllic bays as we make our way to the next dive spot, maximising your time and enjoyment.

Our daily dive times are generally scheduled at 08:00 and 14:30. This allows for a double dive in the morning, followed by a single dive in the afternoon. After each dive session, we return to the resort, where you can relish a delightful lunch and dinner. To accommodate your preferences or for your boat, please discuss the specific dive times with your knowledgeable dive guide.

Specialty Dives on Request

Embark on thrilling specialty dives tailored to your interests. Experience the enchantment of a night dive, starting at 18:00, or venture into the mysterious world of BlackWater diving, beginning at 18:30. These unique dive experiences offer a new perspective

and unforgettable encounters beneath the surface.

In the Water

As you explore the captivating underwater world, we kindly ask that you exercise caution and consideration for both the remarkable creatures you encounter and your fellow divers.

At our resort, we prioritise responsible diving practices, which means refraining from touching or relocating critters. Our expert Dive Guides are adept at identifying and locating these fascinating creatures while maintaining a respectful interaction.

Preserving the environment and the animals' habitats is essential, so please practice good buoyancy and avoid stirring up the sand. Our goal is to create an unforgettable experience for all, so we kindly request that you demonstrate respect for both your fellow divers and the underwater world itself.

Snorkelling

The waters surrounding Solitude Acacia Resort offer a lesser-known snorkelling area in the shallower parts of our dive sites. Here, you can marvel at some of the rare species typically encountered by divers. This area is also accessible to non-diving companions, providing an opportunity for them to enjoy the boat experience while you embark on your exciting dive excursion.

SOLITUDE LEMBEH RESORT

Critter haven of the globe.

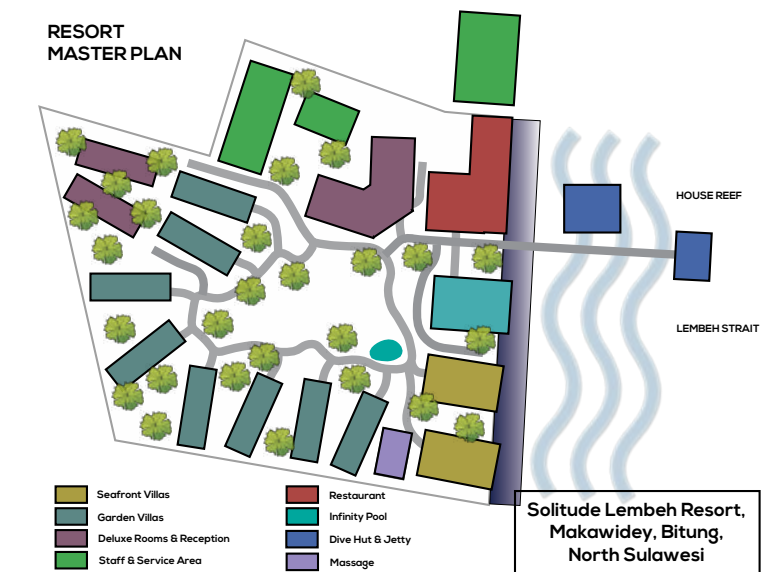

Lembeh Strait, one of the most famous dive destinations in the world, is an absolute must for divers venturing to Indonesia.

Lembeh has become world renowned for its plethora and diversity of critters with many found only in the local area such as the Hairy Octopus or Lembeh Sea Dragon.

Divers can expect mild currents, low surge and shallow sites, making the area suitable for divers of all experience levels from a beginner to the veteran photographer. The water temperature varies depending on the time of the year, with the lowest being in July and August when the temperature drops to

around 25°-26° degrees Celsius or 79°- 81° Fahrenheit. Please refer to page 8 for our Water Temperature Guide. To ensure your comfort we recommend that you bring a 3mm with a vest or a 5mm wetsuit, especially if you are planning on doing several long dives a day. We have additional layers for rent if you find you need more warmth.

Our primary focus is on macro and critters, so visibility is not typically a major concern for us. Nevertheless, it is worth noting that we occasionally encounter excellent visibility of up to 40 meters on the East of Lembeh, while inside the strait, the average visibility is around 10 meters.

THE RESORT

An overview

Upon your arrival at our resort, our staff will provide you with a warm welcome. We will give a resort induction and tour, when suitable. Additionally, our staff will accompany you to your rooms, allowing you to unwind and begin enjoying your holiday.

Being environmentally conscious

As an environmentally conscious company, we are not only responsible for reducing our impact on the environment, but it is also an essential part of our ethos. Additionally, we are a member of [Green Fins](#), a public-private initiative of the United Nations Environment Programme and Reef-World, which provides the only internationally recognised code of conduct for reducing the environmental impacts of the diving and snorkelling industry.

Special Diets

Please kindly notify us in advance of any specific dietary requirements you may have, such as a need for a gluten-free or dairy-free diet. This information is crucial for us to ensure we can accommodate your needs and source

appropriate items accordingly.

The Tembaga Restaurant and Bar

At The Tembaga Restaurant and Bar, we present a delectable assortment of local and international dishes, accompanied by a thoughtfully chosen array of wines, cocktails, spirits, and local beer. Patrons are welcome to bring their own alcoholic beverages to be enjoyed within the resort's premises.

Laundry Services

Laundry service is available. You will discover a laundry bag containing a list of items and associated charges within your room.

Baby Sitting

We can make arrangements for a babysitter, depending on availability. To confirm rates and availability, kindly inform us at least one week prior to your arrival.

Mobile SIM

Pre-paid SIM cards, including Globe, are available for purchase in Manado City. The salespeople can assist with package setup.

WiFi

Solitude Lembeh Resort offers free internet access to our guests through our WiFi network hotspot. Guests will receive their login details upon check-in to access the internet.

However, please note that the quality of the internet connection may be affected by weather and is dependent on a third-party service provider. Therefore, Solitude Lembeh Resort, its staff, and management cannot be held responsible for any inconveniences, loss of income, or data that may occur due to any

disruptions, partial or complete, in the internet service.

Massage

We provide the opportunity to indulge in a traditional Indonesian massage. Simply inform any of our staff members about your desired time, and we will make the necessary arrangements for you.

Camera Room

Our Camera Room is equipped with air conditioning, moisture filters, and spacious powered workstations with universal power points (220 V) for your convenience.

Additionally, fresh water rinse basins are available at the Dive Hut and air guns can be found at the entrance to the camera room for cleaning and drying your equipment.

Activities

Yes! We offer a diverse range of activities for you to choose from for your non diving days. These include full-day excursions with knowledgeable local guides to the Minahasa Highlands and Tangkoko National Park, where you can witness the rare crested black macaque, hornbills, and the world's smallest primate, the Tarsius spectrum. Additionally, we offer a 3-hour trip to the local fish market and Bitung town, as well as the option to arrange trekking and rafting trips upon request.

They recognise the collective teamwork, even from those working behind the scenes, and distribute all tips equally. Should you wish to show your appreciation, a recommended gratuity of 5% to 10% of the total stay cost is suggested. Of course, if you wish to express your appreciation with a higher amount, you are more than welcome to do so.

ABOUT THE ROOMS

Indulge in the comforts of your room, as your comfort is our top priority.

Room Service

Kindly note that we do not provide room service as it may attract unwanted animals once the food is opened.

We kindly request that you store your consumables in a closed container or in the fridge to prevent any issues.

Toilets

To assist with your personal hygiene, your toilet is furnished with a bidet gun. If you are not accustomed to using this type of equipment, simply use the spray function to clean the relevant area after using the toilet.

Mosquitoes

Each evening, our staff will provide a mosquito coil and light it on your terrace to keep the mosquitoes away. To prevent mosquitoes

from entering your room, we recommend keeping windows and doors closed once the lights are on.

Although we regularly fumigate the entire resort, it is challenging to completely eradicate mosquitoes in such a climate. If you require further assistance, we have electric mosquito solutions available for installation in your room upon request. Don't hesitate to ask us for help.

In Your Room

All our rooms are fully furnished with air conditioning. For your additional comfort, you will also find complimentary:

- Internet access
- Universal power points
- Personal toiletries, soaps, shampoos and conditioners
- Amenities such as a fridge,

coffee pot, towels, hair dryer and safe

- Afternoon turn-down service and daily housekeeping.

Being Eco-Conscious

As an eco-conscious establishment and an approved member of [Green Fins](#), reducing our impact on the environment is not only a responsibility, but it is also a fundamental part of our ethos.

Towels

In an effort to be environmentally conscious and to support local water supplies, we kindly ask that we replace your towels every third day during your stay. If you require a towel replacement sooner, please leave it on the bathroom floor.

THE CAMERA ROOM

Our Camera Room can cater for all your electronic needs.

Lembeh, a photographer's paradise, boasts an extraordinary array of rare and unique marine life just waiting to be captured through your lens. Our camera room, conveniently located near the restaurant, is thoughtfully equipped with air conditioning, moisture filters, and spacious workstations, complete with universal power points (220 V), ensuring a comfortable space to work on your gear.

For added convenience, freshwater rinse basins are available at the Dive Hut, and air guns at the camera room entrance make cleaning and drying your equipment effortless. Our expert dive guides, renowned for their ability to spot even the most elusive critters, will enrich your photography experience. With a dedicated two-photographer-per-guide ratio, you'll have ample opportunity to capture those remarkable moments.

To cultivate a respectful and collaborative atmosphere, we encourage the "10 images and swap" approach, allowing all divers the chance to capture incredible shots. Our attentive boat crew, dive centre staff, and skilled guides are well-versed in the unique needs of underwater photographers, ensuring your valuable equipment is handled with the utmost care and expertise.

TEMBAGA RESTAURANT & BAR

Embark on a tantalising treat of the senses as you savour the bold and exotic flavours of the local cuisine, discovering a world of new tastes that will leave you endlessly intrigued.

MENU

Conveniently located by the pool, the Tembaga Restaurant and Bar is a culinary destination that caters to both local and international palates.

From 7 am until midnight, our skilled chefs showcase their expertise through a diverse menu. We happily will try to accommodate any special requests and dietary requirements, so please inform us in advance for a delightful dining experience tailored to your needs.

The bar boasts a well-curated selection of beverages, including beer, wine, cocktails, soft drinks, and refreshing juices.

Please note that while we offer a delightful dining experience, room service is not available.

MASSAGES

Pamper yourself and unwind with a soothing massage that will indulge your senses and melt away stress.

Traditional Indonesian Massage

During your massage, the masseuse will use a combination of pressure techniques to soothe your muscles and work out any knots or areas of tension. If you prefer a lighter touch or have any concerns, don't hesitate to communicate with the masseuse, and they will adjust the pressure to your liking. Our goal is for you to feel completely relaxed and rejuvenated by the end of your session.

An Indonesian massage is a comprehensive, holistic treatment that involves full-body, deep-tissue massage. This therapy combines various techniques, such as acupressure, reflexology, gentle stretches, and aromatherapy, to enhance blood and oxygen circulation and promote the flow of energy throughout your body. As a result, you will experience a sense of calmness, deep relaxation, and overall well-being.

The treatment involves skin rolling, kneading, stroking, and pressure-point stimulation, and it incorporates

essential oils that provide a soothing and therapeutic aroma. If you are seeking a massage that offers a variety of techniques, need help relaxing, or feel a bit low, then an Indonesian massage is an ideal choice. This relaxation massage not only calms your mind but also boosts your circulation and targets knotted tissue to address any physical issues you may have.

Aromatherapy is a crucial aspect of an Indonesian massage, with scented massage oils being highly therapeutic. The essential oils used in this type of massage, such as frangipani essential oil, which is known for its mood-boosting properties, are rare and can only be found in Bali or Indonesia. The massage oil also helps to make massage strokes more fluid and free of friction, resulting in a more comfortable treatment.

In the Water

As you explore the underwater world, please be cautious and considerate, to both the animals that you encounter and your fellow divers.

We prioritise responsible diving practices at our resort, which means respecting critter etiquette by not touching or relocating them. Our expert dive guides can help identify and locate them while maintaining a respectful interaction.

It's important to preserve the environment and the animals' habitats, so please practice good buoyancy and avoid stirring up the mud or sand.

Our goal is to create an unforgettable experience for all, so please be respectful to

both your fellow divers and the underwater world.

Snorkelling

The Lembeh Strait boasts a lesser-known snorkelling area in the shallower parts of our dive sites, where you can spot some of the rare species found by divers.

This area is also accessible for non-diving companions who can enjoy being on the boat with you during your dive excursion.

Enriched Air Nitrox

For safety reasons, we typically provide EAN mixes of around 30% to 31%, which allows for a safer Maximum Operating Depth and ample bottom time. Our all-inclusive diving package can include EAN use, proof of EAN certification is required without exceptions.

Dive Shop

Although our dive shop has limited retail space, we do offer rental equipment to accommodate your needs. To ensure a smooth experience, we kindly request advanced notice if you require rental gear. In the event that you encounter the need for repair or spare parts, we will make every effort to assist you to the best of our ability. Please note that the cost of any required parts will be assessed on a case-by-case basis. It is highly recommended that you have your own gear serviced and thoroughly checked prior to your arrival for optimal diving conditions.

Prior to diving, it is mandatory to present proof of certification and insurance.

THE DIVE CENTRES

We aim to provide you with as many dives as possible while ensuring your safety.

At both Solitude Acacia Resort and Solitude Lembeh Resort, our fully equipped dive centres cater to divers of all experience levels, from seasoned enthusiasts to those just beginning their underwater journeys. Safety is our top priority, and we proudly uphold the high standards Solitude Liveaboards and Resorts are known for. Each centre features modern facilities, including Bauer and Coltri membrane compressors, as well as high-quality air purifiers to ensure the best air quality for every dive.

For underwater photographers, we offer Enriched Air Nitrox and spacious camera rooms with 28

dedicated stations, designed for your convenience. Our classrooms can accommodate up to 12 students, supporting a range of PADI dive education courses. With our dive team trained in First Aid and In-Water Rescue, instruction is available at all levels, ensuring you feel confident and prepared for every dive.

Safety on the water is further supported by our well-equipped boats, each carrying First Aid Kits, Medical Oxygen, and mobile phones. Guests also benefit from the use of Nautilus Marine Rescue GPS devices during reef dives for added peace of mind. In the event of an emergency,

our teams are fully prepared, with emergency response procedures in place and nearby decompression chambers within easy reach.

We remind all divers to follow essential safety guidelines, such as always diving with a buddy, planning your dives thoroughly, and equalising often. By adhering to these precautions, we ensure that each dive is both safe and enjoyable, allowing you to fully immerse yourself in the underwater wonders that await at Solitude.

SAFETY

SAFETY is Solitude's top priority, we take every precaution to ensure the safety of our guests and crew. As we operate in remote areas we ensure that we are well-equipped to handle any emergency scenario.

Fire

Please make yourself familiar with the location and instructions of our fire extinguisher in your room. Our smoke detectors and extinguishers are inspected at regular intervals.

Earthquake and Tsunami

This region may experience mild earthquakes that can feel like a passing truck. The most recent slightly stronger quake was in 2005 and caused some wall cracks, but no one was harmed. Our resort is connected to a warning system that alerts us in the event of a volcano eruption, earthquake, or tsunami.

If an EMERGENCY EVACUATION is required an alarm will be raised and, please follow our staff instructions and you will be lead up to a safer location.

Diving

During your stay we offer our guests with a complimentary Nautilus Marine Rescue GPS to provide that peace of mind.

PHOTOGRAPHY WORKSHOPS

International Photographers

International Photography Workshops

Enhance your underwater photography skills by joining our resident photo pro, Patrick Neumann, at Solitude Lembeh, or by participating in workshops led by renowned visiting photographers at either of our resorts.

Award-winning photographers such as William Tan, Tobias Friedrich, and Lilian Koh frequently host workshops, bringing a wealth of expertise and showcasing the best techniques from their respective countries.

Whether you're staying at Solitude Acacia or Solitude Lembeh, you can find all the details, including workshop schedules and photographer biographies, on our website or by contacting us directly. Based on your interests and skill level, you can choose a workshop and photographer whose style best resonates with you.

Workshops are primarily conducted in the photographer's native language, with English available upon request to ensure an inclusive learning experience. These sessions provide a wonderful opportunity to connect with fellow photographers, exchange tips and techniques, and hone your skills—all while ensuring your non-photographer companions can relax and enjoy their time as well.
