Boat (Dive cruise)

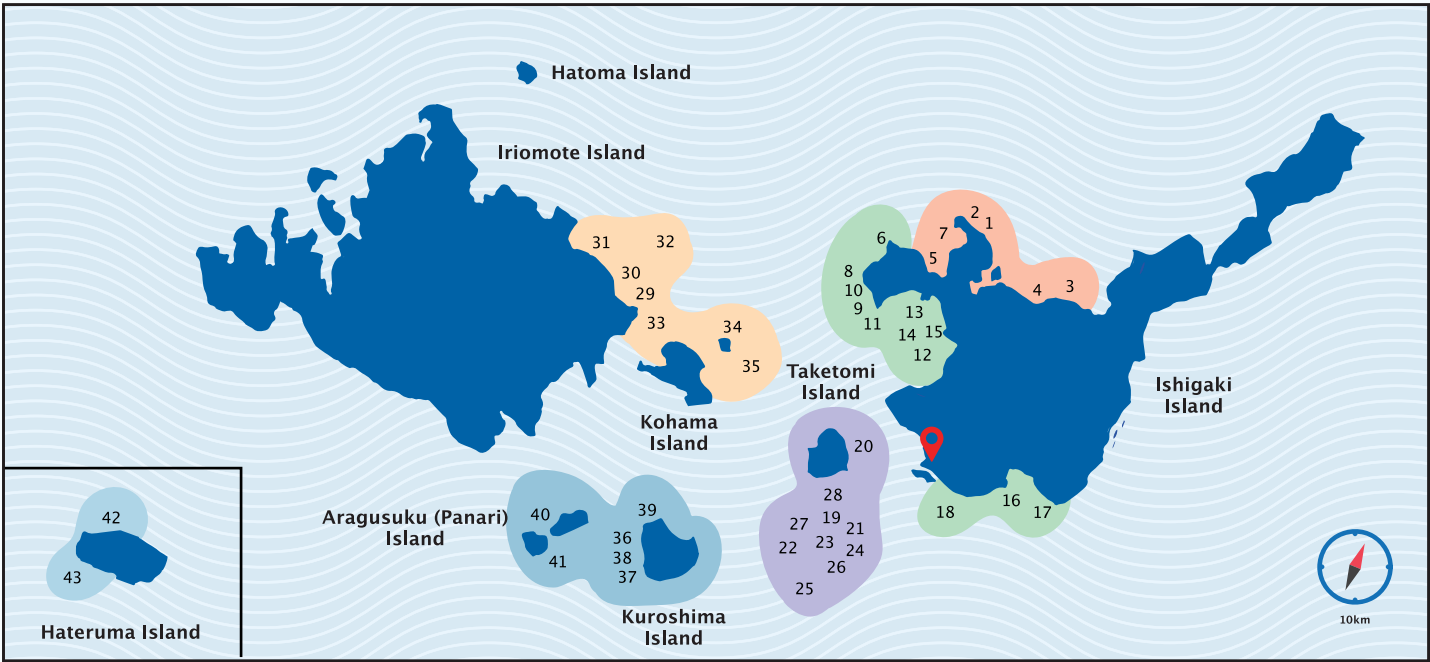

With our 60ft diving cruiser Blue Swan, we offer full-day dive cruise around Ishigaki and surrounding islands of Yaeyama. The boat is equipped with dry room, toilet and two showers, and we take max of 18 guests to ensure enough space for comfortable dive cruise.

Diving points will be decided each day based on the weather as well as our guests' requests and skill level. We will visit different dive points so that you can explore Ishigaki diving as much as you can.
