Informations Complémentaires de CHRIS BENZ WATCHES:

CHRIS BENZ - the dive watch brand No.1!

CHRIS BENZ is a modern, reliable and high-quality dive watch trademark for enthusiastic water sports men around the world.

A CHRIS BENZ watch meets every challenge. Each model was developed by professional divers, dive guides, world class surfers and sailors. In addition, our time pieces have underwent tests and improvements in our own test centres in Germany and South Africa to guarantee absolute satisfaction. Equipped with outstanding technical features a CHRIS BENZ watch is a step ahead of every challenge. CHRIS BENZ - stands for diver's watches, made by professionals for professionals.

The exclusive CHRIS BENZ DEPTHMETER, DEEP, ONE and SURF&SAIL Collection are designed to withstand the toughest underwater use and impress with their uncompromising ergonomic design, outstanding reliability and superior craftsmanship.

Solid marine stainless steel casings, precision mechanisms, reliable display instruments, helium escape valve as well as depthmeter technology and warranted water resistance up to 200 bar - all are standard features in our model range. In addition, the crystal used for our watches is made of ultra scratch-proof and almost indestructible sapphire crystal.

All watches of CHRIS BENZ are SHARK PROOF. - proven to withstand the bite of Great White Shark.

The Shark Proof test was carried out under real conditions by experienced divers and shark experts off the waters of Gansbaai in South Africa known as Shark Alley. During the test, the watches were subjected to the bite test by a real Great White Sharks in the wild. Only CHRIS BENZ watches, which have survived this bite test, may rightfully be described as SHARK PROOF. ("shark-bite resistant").

CHRIS BENZ watches are more than a diver's watch, they are a very special attitude to life. An attitude to life that connects people worldwide- dive in and be a part of

CHRIS BENZ - SHARK PROOF.
